

Golden Triangle Construction is a growing dynamic firm serving the institutional and commercial construction markets in Calgary and is presently seeking the services of:

Senior Project Manager (Project Range - \$15-40 Million)

Senior Project Manager is required immediately for local new construction projects in Calgary. A minimum of 10 years experience in institutional and commercial work is essential.

The successful candidate is a team player who is passionate about serving others and is looking for an organization that is vibrant and progressive. You are meticulous, enthusiastic and a positive individual who is a leader in the industry.

A clear understanding in the areas of safety management, quality control schedule management, cost control and estimating are essential qualifications. The successful candidate will possess excellent communication, organization and computer skills. Experience working in both project and construction management and general tender environments is an asset.

This position offers a competitive compensation package while providing opportunities for growth potential with the firm. Interested applicants are invited to forward a detailed resume to hr@goldentriangleconstruction.com or fax to the attention of the Office Manager at 403-938-3455.

Golden Triangle thanks all applicants for their interest. However, only those selected for an interview will be contacted.
