

Golden Triangle Construction is a growing dynamic firm serving the institutional and commercial construction markets in Calgary and is presently seeking the services of:

Senior Site Superintendent (Project Range - \$15-60 Million)

Senior Site Superintendent is required immediately for local new construction projects in Calgary. A minimum of 10 years experience in institutional and commercial work is essential.

The successful candidate must possess excellent communication, computer, organizational, supervisory and management skills and be proficient in the areas of safety management, quality control, schedule management and cost control. You are a team player who is passionate about serving others and is looking for an organization that is vibrant and progressive. A proven track record of projects built on time, on budget and to the highest standards is essential.

This position offers a competitive compensation package while providing opportunities for growth potential with the firm. Interested applicants are invited to forward a detailed resume to hr@goldentriangleconstruction.com or fax to the attention of the Office Manager at 403-938-3455.

Golden Triangle thanks all applicants for their interest. However, only those selected for an interview will be contacted.
